Dear Parent/Carer,

Leadership arrangements at Tamworth Enterprise College

We are writing to let you know that as of January 2019, Mr Qamar Riaz will be joining Tamworth Enterprise College as our new Executive Principal.

Due to a number of factors, the Trust are keen to provide additional leadership support to the academy, to help accelerate the improvements that need to be made. Ofsted visited the academy last term and judged that it still 'requires improvement', and we are determined to support the academy and provide the necessary resource to ensure improvements take place rapidly.

Mr Riaz is an experienced leader who joins us from another academy in the West Midlands, where he has been Headteacher for three years and transformed it from special measures to Good in 20 months. Prior to this Mr Riaz held senior leadership roles in a number of schools in the West Midlands and London regions.

Mr Riaz is looking forward to meeting you soon and will be in touch to arrange a parents' meeting early in the new year.

Thank you for your support and we wish you a restful and enjoyable break over the festive period.

Yours sincerely,

David Hatchett
National Director of Secondary Schools
