1. Rationale

Guide for parents with a concern or a complaint

(If you are not a parent or a guardian of a child attending academy you should contact the Principal)

Tamworth Enterprise College wants to deal with issues, concerns and complaints that you have as promptly and effectively as we can. If you have any concerns we encourage you in the first instance, to go directly to the person who is most appropriate to respond to your concern – this will usually be the class or form tutor a senior member of staff, or the Principal.

Academics are required by law to have a complaints procedure that aims to ensure that concerns and complaints are handled in a fair and non-adversarial manner.

This procedure is intended to deal with concerns or complaints relating to the actions of staff and the application of academy procedures where they affect individual pupils and students except in matters relating to:

- a permanent exclusion,
- a particular child protection issue
- a special needs statementing issue
- an admission issue
-

all of which are dealt with under separate procedures. Details of these procedures are available at academy.

2. Policy Statement

The academy encourages anyone wishing to raise a concern to make every effort to resolve the concern informally – please help us by following these steps.

Please note:

- any concern or complaint should be brought to the attention of the academy at the earliest opportunity; any matter raised more than 3 months after the event will only be considered in exceptional circumstances.
- an anonymous complaint will not be dealt with unless there are exceptional circumstances.

3. Procedure

3.1 Informal Stage One: Raising your concern

It is expected that in most cases the class teacher, form tutor, Head of House, Assistant Principal or a senior member of staff will be able to resolve your concerns without the need to go any further. You can help them to resolve your concerns by arranging to meet him or her at a convenient time, discussing your concerns in a positive atmosphere and allowing them any time that they require to investigate the matter further themselves.

Where the first approach is made to a governor or Regional Director of AET, they will refer the person raising a concern to the Academy procedure, and advise you to contact the Academy directly. Governors or Directors will not act unilaterally on an individual concern or complaint or be involved at the early stages of an issue in case they are needed to sit on a panel at a later stage of the procedure.

The Academy will respect the views of a person raising a concern or complaint who indicates that he/she would have difficulty discussing the issue with a particular member of staff. In these cases, the line manager can refer the parents or member of public to another staff member. The ability to consider the concern or complaint objectively and impartially is crucial.

If the issue concerns the Principal, then you should write to the Chair of the Governing Body in the first instance who will deal with the query.

If, having raised your concern with the above staff you are still dissatisfied, or if they are the subject of your concern, then you should move on to step two, contacting the Principal/Vice Principal.

3.2 Informal Stage Two: Issue referred to the Principal/Vice Principal

The Principal/Vice Principal may ask you to put your concerns in writing but will usually be able to deal with your concerns face-to-face. The Principal/ Vice Principal will attempt to resolve your concerns using any reasonable means that she / he feels are appropriate: this may involve meeting with you to discuss the matter further, or delegating another senior member of staff to investigate.

The Principal/ Vice Principal should be allowed reasonable time to investigate the concern or complaint and gather any information that she / he requires. On this basis you should expect to receive feedback no later than 10 school days after giving them the details.

If, having raised your concern with the Principal/Vice Principal you are still dissatisfied then you should move on to the Formal Complaints Procedure.

3.3 Formal Complaints Procedure: Complaint referred to the Chair of the Governing Body or Regional Director of AET

If you are still dissatisfied with the way the issue has been handled, then you should put your complaint in writing, and send it to the Chair of Governors through the Tamworth Enterprise College Office. The Chair of Governors will decide on an appropriate course of action, depending on the issue. This could be meeting with the Chair in the first instance or meeting a group of governors constituting a Complaints Panel.

4. Complaints Panel

Individual complaints will not be heard by the whole Governing Body at any stage, as this could compromise the impartiality of any panel set up for a disciplinary hearing against a member of staff following a serious complaint. The Governing Body will nominate a minimum of three members with delegated powers to hear complaints at this stage.

4.1 The Remit of Complaints Panel

The panel can:

- a) dismiss the complaint in whole or in part;
- b) uphold the complaint in whole or in part;
- c) decide on the appropriate action to be taken to resolve the complaint;
- d) recommend changes to the academy's systems, recommend disciplinary action, or procedures to ensure that issues of a similar nature do not recur.

All governors sitting on a complaints panel will work within the following guidelines:

- a) It is important that the appeal hearing is independent and impartial. No governor may sit on the panel if they have a prior involvement in the complaint or in the circumstances surrounding it. The panel will be sensitive to the issues of equality as outlined in the equality policy.
- b) The aim of the hearing, which needs to be held in private, will always be to resolve the complaint and achieve reconciliation between the academy and the complainant. However, it has to be recognised that the complainant might not be satisfied with the outcome if the hearing does not find in their favour. It may only be possible to establish the facts and make recommendations which will satisfy the complainant that his or her complaint has been taken seriously.
- c) An effective panel will acknowledge that many complainants feel nervous and inhibited in a formal setting. Parents often feel emotional when discussing an issue that affects their child. The panel chair will ensure that the proceedings are as considerate as possible.
- d) Extra care needs to be taken when the complainant is a student. Governors will consider the welfare of the student in its arrangements of the hearing. The panel needs to be aware of the views of the student and give them equal consideration to those of adults.
- e) The governors sitting on the panel need to be fully conversant of the complaints procedure.

5. Roles and Responsibilities

5.1 The role of the Principal

- a) Ensure that correct academy procedure is used to respond to concerns or complaints about staff raised within academy within informal stage 1.
- b) Ensure that appropriate action is taken as a result of a concern or complaint about a member of staff in academy within informal stage 1.

c) Ensure that concerns or complaints referred to the Principal in informal stage 2 are logged, and that appropriate action is taken. Ensure that concerns or complaints are responded to within a reasonable timeframe.

d) Ensure that anyone raising a concern is aware of the formal procedure for complaints if they are dissatisfied with the action to date.

5.2 The Role of the Clerk

Any group of Governors considering complaints will be supported by a clerk. He/she will be the contact point for the complainant and will:

a) set the date, time and venue of the hearing, taking reasonable measures to ensure that the dates are convenient to all parties and that the venue and proceedings are accessible;

b) collate any written material and send it to the parties in advance of the hearing;

c) meet and welcome the parties as they arrive at the hearing;

d) record the proceedings;

e) notify all parties of the panel's decision.

5.3 The Role of the Chair

The Chair of the Panel has a key role, ensuring that:

a) the hearing and decision making process are chaired effectively

b) the remit of the panel is explained to the parties and each party has the opportunity of putting their case without undue interruption;

c) the issues are addressed;

d) key findings of fact are made;

e) parents and others who may not be used to speaking at such a hearing are put at ease;

f) the hearing is conducted in an informal manner with each party treating the other with respect and courtesy;

g) the panel is open minded and acting independently;

h) no member of the panel has a vested interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure; each side is given the opportunity to state their case and ask questions;

i) written material is seen by all parties by the date specified by the clerk. If a new issue arises it would be useful to give all parties the opportunity to consider and comment on it.

6. Notification of the Panel's Decision

The chair of the panel will ensure that the complainant is notified of the panel's decision, in writing, with the panel's response within five working days.

7. Academy Complaints Procedure Checklist for a Panel Hearing

The panel needs to take the following points into account:

- Witnesses are only required to attend for the part of the meeting in which they give evidence. (Witnesses may include the member of staff against whom the complaint was made)
- After introductions, the complainant is invited to explain their complaint, and use their witnesses to support their case, in turn.
- The Principal may question both the complainant and use their witnesses to support their case, in turn
- The Principal is then invited to explain the academy's actions and be followed by the academy's witnesses
- The complainant may question both the Principal and the witnesses after each has spoken
- The Panel may ask questions at any point
- The complainant is then invited to sum up their complaint
- The Principal is then invited to sum up the academy's response to the complaint
- The Chair explains that both parties will hear from the panel within a set time scale
- The Principal and complainant leave together while the panel decides on any actions to be taken

There may be occasions when, despite all stages of the procedures having been followed, the complainant remains dissatisfied. At this point the complainant could take their complaint to the Academies Enterprise Trust/Education Funding Agency (EFA). The EFA will consider complaints about academies that fall into any of the following three areas:

- a) where there is undue delay or the did not comply with its own complaints procedure when considering a complaint.
- b) where the is in breach of its funding agreement with the Secretary of State.
- c) where there has been a failure to comply with any other legal obligation.

The EFA will not overturn any decision about a complaint. However, if it concludes that the TEC did not deal with a complaint properly, they will request the complaint is looked at again from the appropriate stage, following a process which meets the requirements set out

in the Regulations. If the TEC's complaints procedure does not meet the Regulations, they will ask the to put this right. They may on behalf of the Secretary of State, if appropriate, seek to enforce the decision under the terms of the funding agreement. Their remit is to review due process, so there is no onus on them to re-open an investigation: they may only decide to do so if they judge that there has not been due process.
